Brief Summary of Instructional Program _____

Ebenezer Middle School helps all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing a safe, structured, and nurturing environment that encourages excellence in achievement. We offer a challenging, relevant, standards driven curriculum which is guided by a highly effective faculty and staff. Our motto, "Learning to be Tomorrow's Leaders," promotes life skills which will benefit students throughout their lives.

As part of our One-To-Global initiative, all students are given the opportunity to use a Chromebook for the year, increasing the use of technology throughout the school and Personalized Digital Learning. We are able to

offer STEM classes as we work towards becoming a Nationally Accredited Stem School by the end of the 2019-2020 school year. We also offer high school courses in Keyboarding, Algebra I and English I.
