Brief Summary of Instructional Program_____

Ebenezer Middle School helps all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing a safe, structured, and nurturing environment that encourages excellence in achievement. We offer a challenging, relevant, standards driven curriculum which is guided by a highly effective faculty and staff. Our motto, "Learning to be Tomorrow's Leaders," promotes life skills which will benefit students throughout their lives.

As part of our One-To-Global initiative, all students are given the opportunity to use a Chromebook for the year, increasing the use of technology throughout the school and Personalized Digital Learning. We are able to

offer STEM classes during the school day and in an after school program. Our students excel in the use of robotics and building items with the 3-D printer. We also offer high school courses in Keyboarding, Algebra I and English I.
