

R.E. DAVIS K-8 COLLEGE PREPARATORY ACADEMY

Grades: Pre-Kindergarten through 8th
School Colors: Scarlet and Blue
School Mascot: Viking
School Theme: "The Future Starts Here!"
Enrollment: 443

Brief Summary of Instructional Program_____

The principals, faculty, staff, district-level personnel and stakeholders help all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment that embraces a vision and purpose to build a foundation that prepares all students to become life-long learners who will be able to ultimately contribute positively to society. The school's motto is "The Future Starts Here!" Students are reminded daily to "Think Positive, Act Positive and you certainly will become a Positive Person!"

R.E. Davis K-8 College Preparatory Academy places an emphasis on AVID, Core Knowledge, NMSI, and Leader in Me. We proudly offer a computer lab program, parent workshops, Saturday Academy, student assistance programs, and academic intervention programs. Through MTSS (Multi-Tiered System of

Supports), staff members have begun to receive additional training on how to maximize and consolidate existing support services with a defined framework of support and professional development. The use of technology is seen in the One to One Global initiative with the use of Chromebooks in the classroom and "Tech Tuesdays" for teachers.

We are a Title I school where teachers provide students with critical thinking skills and problem solving activities. Test data is used to focus on programs that will help to increase student achievement by remediating weak areas.

Political leaders, members of the faith-based community, parents, and other stakeholders participate in the school renewal, accreditation process, and the School Improvement Council. This combination of school, stakeholders, and community ensures a perpetual focus on developing the whole child for career and college readiness.
